

Without additives,
engines can cause
severe damage and shorten
motor life.

ERC GasLube
protects valves and
other parts for a long
motor life.

TÜV NORD ➤ DEKRA

GAS SHOW 14
Autogas & CNG
Stand F4

Probably the best valve protection for autogas vehicles

GasLube Premium and Special provide reliable protection for all LPG and CNG motors

Tested by TÜV and DEKRA and in successful field tests totalling more than 130,000 kilometres.
The Special additives have won the INPRO Award at GasShow multiple times.
